26 Dec 2025	Fri	9:18 AM	1:41 PM	2:17 PM	6:42 PM	8.79	Full Day	Template Editor	Developed the editor and enabled text editing functionality (not based on any predefined template).
27 Dec 2025	Sat	9:06 AM	2:36 PM	-	-	5.50	Full Day	Template Editor	Enabled template editing functionality and implemented enhancements to the Tools Panel to improve usability
29 Dec 2025	Mon	9:36 AM	1:33 PM	2:19 PM	6:43 PM	8.34	Full Day	Template Editor	Today I worked on image layers and controlled them using editing tools. I implemented tool actions to manage and modify different layers properly. I focused on styling the editor layout to make it clean and user-friendly. I tested and handled different image formats inside the editor. I worked on converting normal image file formats into SVG format for better editing support.
30 Dec 2025	Tue	9:26 AM	1:38 PM	2:21 PM	6:40 PM	8.51	Full Day	Template Editor using JSON file	Designed and implemented a template editor workflow driven by a structured JSON file format for managing template data and layers. Integrated UI rendering of template layers, enabling selection, editing, and navigation across multiple text elements and attributes.

Date	Day	Morning In	Morning Out	Afternoon In	Afternoon Out	Hours	Section	Project Name	Work Done
									Added support for layer-level properties including text content, font size, color, and positional controls with lock capability. Successfully embedded and displayed the UI reference image inside the editor canvas to align layout and visual composition. Validated core functionality across templates, ensuring consistent layer mapping, real-time updates, and editable preview output.
